Smuxi Issues [FROZEN ARCHIVE] - Bug # 1019: Smuxi not detecting being GHOSTed by irc server

Status:	New	**Priority:**	Normal
Author:	Ingo Saitz	**Category:**	Engine IRC
Created:	01/29/2015	**Assigned to:**	Mirco Bauer
Updated:	05/22/2015	**Due date:**	
Complexity:	Medium		
Found in Version:	0.12.0.0		
Subject:	Smuxi not detecting being GHOSTed by irc server		
Description:	Being GHOSTed by the irc server via NickServ, smuxi does not detect this but keeps waiting for a ping reply before reconnecting to the server. Also the ghost message is not displayed in any tab, the first displayed message is displayed when the lag-timer reaches ~90 seconds and starts a reconnect; displayed as this in every tab from the server: Do 14:08 -!- Disconnected from freenode comment from meebey: at ERROR it should close the socket, but it doesnt seem to

When I was checking the code, how SmartIrc4net handles server signaled errors (ERROR message), this is what I have found:

<pre>
        switch (command) {
          case "ERROR":
             // FIXME: handle server errors differently than connection errors!
             //IsConnectionError = true;
             break;

</pre>

:-D
