| Subject:          | Wrong layout after using Fullscreen mode and switching it off again.  |              |                |
| Description:      | <p>Steps to reproduce:</p> <ul style="list-style-type: none"><li>1) Having a non maximized Smuxi</li><li>2) Clicking on Fullscreen to enter full screen mode</li><li>3) Clicking again on Fullscreen mode to exit full screen mode</li></ul> <p>After these steps the user list is as big as the message area. See the screenshot</p> |              |                |
