Complexity:	High		
Subject:	Save/restore connected servers and joined channels of the client during restart		
Description:	Smuxi should remember it's state (without any button/action).		
	just connect, just join, quit Smuxi, start Smuxi. all should be back.		
	Connected servers should reconnect, joined channels should rejoin, personal private chats should reopen,		
	message history should reload,		
	selected channel should be reselected
