<b>Updated:</b>	10/11/2016	<b>Due date:</b>	
<b>Complexity:</b>	Low		
<b>Found in Version:</b>			
<b>Subject:</b>	Right-click -> Close, on Twitter, shows pointless warning dialog		
<b>Description:</b>	Right-click -> Close, on Twitter, shows pointless warning dialog:  "Closing the protocol chat will also close all open chats connected to it! Are you sure you want to do this?"  This is pointless in the case of twitter because disconnecting twitter backend doesn't show any disconnection to your followers.
