Subject:	Twitter: right click on a nickname on the left panel (after doing /timeline nickname) should list "Follow" command		
Description:	Steps to reproduce:		

Description: (continued)

Steps to reproduce:

1. Open a twitter chatview.

2. Issue /timeline foo command. "foo" child chatview opens.

3. Right click on the "foo" element on the left-panel tree view.

Current results:

You only see the option "Close".

Expected results:

The command "Follow" should be present in the list as well.
