<b>Complexity:</b>	Low		
<b>Subject:</b>	Consolas font for Windows		
<b>Description:</b>	Microsoft Windows Vista and later has a clear-type font called Consolas, which is a very good one. Maybe the font order should be changed from FixedSys, Monospace to Consolas, FixedSys, Monospace. Font download (check license if bundling!): <a href="http://www.microsoft.com/downloads/details.aspx?familyid=22e69ae4-7e40-4807-8a86-b3d36fab68d3&amp;displaylang=en">http://www.microsoft.com/downloads/details.aspx?familyid=22e69ae4-7e40-4807-8a86-b3d36fab68d3&amp;displaylang=en</a>
