Updated:	12/28/2009	Due date:	
Subject:	&chans have wrong tab colors		
Description:	When you join a &chan the tab color will always be white, as the & characters is parsed by pango which causes a pango markup error. Smuxi has to escape such characters for pango.

Escape pango markup where needed, fixing tab colors if the channel contains a & character for example. (closes: #253)
