Smuxi Issues [FROZEN ARCHIVE] - Bug # 254: Reconnect / exception if an user joins on an anonynous IRC

Status:	Closed	Priority:	High		
Author:	Mirco Bauer	Category:	Other		
Created:	12/25/2009	Assigned to:	Mirco Bauer		
Updated:	12/28/2009	Due date:			
Subject:	Reconnect / exception if an user joins on an anonynous IRC channel				
Description:	IRCnet supports an anonymous channel mode. This mode will make all people anonymous by replacing their				
	real nickname, ident and host with fake ones. Sadly it replaces those with the same value for ALL channel				
	users. This leads to an exception in the IRC library, like this:				
	<pre><pre></pre></pre>				
	2009-12-25 22:01:51,288 [IrcProtocolManager (irc.fu-berlin.de:6667) listener] DEBUG CHANNELSYNCING -				
	anonymous joins channel: !5IHOLtest123				
	· · · · · · · · · · · · · · · · · · ·	•	rc.fu-berlin.de:6667)	listener]	ERROR
	Smuxi.Engine.IrcProtocolManagerRun(): exception in _Listen() occurred!				
	System.ArgumentException: Key duplication when adding: anonymous				
	at System.Collections.Hashtable.PutImpl (System.Object key, System.Object value, Boolean overwrite)

	/home/meebey/data/projects/c-sharp/smuxi/git/src/Engine-IRC/Protocols/Irc/IrcProtocolManager.cs:1599				
	As this exception in raised in the SmartIro	4net library, this bug	/ issue has to be hand	led in there.	

Associated revisions

12/28/2009 09:22 PM - Mirco Bauer

Added a workaround for a thrown NullReferenceException when a persons joins or parts an IRC channel who does not exist. (closes: #254)

History

Regardless of the exception root, Smuxi needs to deal with this situation too, as it manages it's own person list.
