- Target version set to 0.7

As Smuxi now shows unknown replies from the IRCd directly, we should do this for sending unknown commands to the IRCd too, see #256

#### 01/05/2010 02:41 AM - Mirco Bauer

- Complexity set to Low

This doesn't have to be an option, as we show by default unknown replies too. IrcProtocolManager.Command() needs to handle this.
