

Smuxi Issues [FROZEN ARCHIVE] - Bug # 262: Remote engine connection check might block the GUI

Status:	Closed	Priority:	Normal
Author:	Mirco Bauer	Category:	Frontend GNOME
Created:	01/01/2010	Assigned to:	Mirco Bauer
Updated:	01/10/2010	Due date:	
Complexity:	Medium		
Subject:	Remote engine connection check might block the GUI		
Description:	If there are network issues then _CheckFrontendManagerStatus() will block the whole GUI as it's done in a foreground (main) thread. Smuxi should use a background thread here so the application stays interactive.
