

Smuxi Issues [FROZEN ARCHIVE] - Feature # 277: /exec -o command sending the output as message

Status:	Closed	Priority:	Normal
Author:	Mirco Bauer	Category:	Frontend
Created:	01/05/2010	Assigned to:	Mirco Bauer
Updated:	02/02/2013	Due date:	
Complexity:	Low		
Subject:	/exec -o command sending the output as message		
Description:	"/exec -o echo bar" should send the output of the exec to the protocol manager as message (e.g. IrcProtocolManager.CommandSay()). IIRC there is no protocol neutral API yet to send a message, say something like IProtocolManager.SendMessage().
