<b>Complexity:</b>			
<b>Subject:</b>	NullReferenceException on start with auto-connecting Twitter account		
<b>Description:</b>	<p>I just installed the Smuxi 0.7 backports from debian.meebey.net.</p> <p>My Debian installation was completely clean of any kind what has to do with smuxi (I purged it). After adding a twitter account with auto-connect and restarting smuxi to test if the auto-reconnection works, smuxi crashes with the following exceptions:</p> <pre>&lt;pre&gt;Exception Type: System.NullReferenceException  Exception Message: Object reference not set to an instance of an object  Exception StackTrace:    at Smuxi.Frontend.Gnome.GnomeUI+&lt;&gt;c__CompilerGenerated62.&lt;SyncChat&gt;c__63 (System.Object +57, System.EventArgs +58) [0x00000]    at Gtk.Application+InvokeCB.Invoke () [0x00000]    at GLib.Timeout+TimeoutProxy.Handler () [0x00000] &lt;/pre&gt;  &lt;pre&gt;2010-01-13 23:20:17,991 [Main] ERROR Smuxi.Frontend.Gnome.Frontend - ShowException(): Exception: System.Reflection.TargetInvocationException: Exception has been thrown by the target of an invocation. ---&gt; System.InvalidCastException: Cannot cast from source type to destination type.    at Smuxi.Frontend.Gnome.IrcGroupChatView..ctor (Smuxi.Engine.GroupChatModel groupChat) [0x00000]    at (wrapper managed-to-native) System.Reflection.MonoCMethod:InternalInvoke (object,object[])    at System.Reflection.MonoCMethod.Invoke (System.Object obj, BindingFlags invokeAttr, System.Reflection.Binder binder, System.Object[] parameters, System.Globalization.CultureInfo culture) [0x00000] --- End of inner exception stack trace ---     at System.Reflection.MonoCMethod.Invoke (System.Object obj, BindingFlags invokeAttr, System.Reflection.Binder binder, System.Object[] parameters, System.Globalization.CultureInfo culture) [0x00000]    at System.Reflection.MonoCMethod.Invoke (BindingFlags invokeAttr, System.Reflection.Binder binder, System.Object[] parameters, System.Globalization.CultureInfo culture) [0x00000]    at System.Activator.CreateInstance (System.Type type, BindingFlags bindingAttr, System.Reflection.Binder binder, System.Object[] args, System.Globalization.CultureInfo culture, System.Object[] activationAttributes) [0x00000]    at System.Activator.CreateInstance (System.Type type, System.Object[] args, System.Object[] activationAttributes) [0x00000]    at System.Activator.CreateInstance (System.Type type, System.Object[] args) [0x00000]    at Smuxi.Frontend.ChatViewManagerBase.CreateChatView (Smuxi.Engine.ChatModel chat) [0x00000]    at Smuxi.Frontend.Gnome.ChatViewManager.AddChat (Smuxi.Engine.ChatModel chat) [0x00000]    at Smuxi.Frontend.Gnome.GnomeUI+&lt;&gt;c__CompilerGenerated52.&lt;AddChat&gt;c__53 (System.Object +37, System.EventArgs +38) [0x00000]</pre>
