

Smuxi - Bug # 312: Random Startup / Connect Crash: NullReferenceException

Status:	Closed	Priority:	Urgent
Author:	Mirco Bauer	Category:	Frontend GNOME
Created:	01/23/2010	Assigned to:	Mirco Bauer
Updated:	01/23/2010	Due date:	
Complexity:	High		
Subject:	Random Startup / Connect Crash: NullReferenceException		
Description:	<p>Sometimes when starting the Smuxi client (only seen if local engine is used) Smuxi will crash like this:</p> <pre><pre> Exception Type: System.NullReferenceException Exception Message: Der Objektverweis wurde nicht auf eine Objektinstanz festgelegt. Exception StackTrace: bei Smuxi.Frontend.Gnome.GnomeUI._AddMessageToChat(ChatModel chatModel, MessageModel msg) bei Smuxi.Frontend.Gnome.GnomeUI.<AddMessageToChat>c__AnonStorey6.<>m__12(Object , EventArgs) bei Gtk.Application.InvokeCB.Invoke() bei GLib.Timeout.TimeoutProxy.Handler() </pre></pre> <p>This can also happen if you connect to a server.</p> <p>I believe the issue is a race condition, the tries to push messages to the frontend while he is not ready yet for that (the chat view is missing).</p>		

History
