Smuxi Issues [FROZEN ARCHIVE] - Bug # 334: /reconnect on unreachable networks blocks command-queue

Status:	Closed	Priority:	Normal
Author:	Bianca Mix	Category:	Engine IRC
Created:	02/03/2010	Assigned to:	Mirco Bauer
Updated:	07/04/2010	Due date:	
Complexity:	Medium		
Subject:	/reconnect on unreachable networks blocks command-queue until timeout		
Description:	After entering /reconnect command the command-queue of smuxi waits till the command is processed. Only afterwards other entered messages will be processed. This leads to a confusing state as a user may see messages of other users (e.g. in other IRC-networks), may send own messages, but they will not be transmitted until /reconnect times out. Maybe processing some commands in the background will help
