Smuxi Issues [FROZEN ARCHIVE] - Feature # 35: memory usage watcher

Status:	New	**Priority:**	High
Author:	Mirco Bauer	**Category:**	Frontend GNOME
Created:	06/16/2008	**Assigned to:**	Mirco Bauer
Updated:	01/03/2014	**Due date:**	
Complexity:			
Subject:	memory usage watcher		
Description:	Watch the memory usage and after a certain size (like 100MB) show a memory usage warning to the user, and suggest to restart smuxi and file a bug report. Probably also adding memory usage hints somehow, so we know where the usage comes from.
