Smuxi Issues [FROZEN ARCHIVE] - Bug # 391: Status / tray icon can be seen when starting Smuxi

Status:	Closed	**Priority:**	Low
Author:	Mirco Bauer	**Category:**	Frontend GNOME
Created:	06/15/2010	**Assigned to:**	Mirco Bauer
Updated:	07/04/2010	**Due date:**	
Complexity:	Low		
Subject:	Status / tray icon can be seen when starting Smuxi		
Description:	When Smuxi starts and the tray icon is not enabled it still can be seen very shortly. This happens because the tray icon gets initialized, then hides and then the settings get applied to either make it visible or not, see: http://git.qnetp.net/?p=smuxi.git;a=blob;f=src/Frontend-GNOME/Frontend.cs;h=384ceb0581c89a9fc5e92d25da96f76aea430eb9;hb=HEAD#l218 Smuxi should do late initialization of the tray icon then this wouldn't happen.
