Smuxi - Feature # 396: advanced logging support

Status:	New	**Priority:**	Low
Author:	Mirco Bauer	**Category:**	Engine
Created:	07/04/2010	**Assigned to:**	Mirco Bauer
Updated:	03/30/2014	**Due date:**	
Complexity:	High		
Subject:	advanced logging support		
Description:	Smuxi should be able to log conversations (person and group chats). Providing a logging API and then allow plugins to implement actual loggers should be a good base. Here a list of possible logging plugins/formats: irssi-like format, universal RDBMS (using [[SmartDao]]) and xml.

Simple text logging is ticket #62

03/30/2014 09:45 AM - Mirco Bauer

Smuxi 0.12-dev already can log to sqlite, but in unstructed JSON. IMHO this is sufficient though...
