More details from the reporter:

<pre>

23:56:43 <nh2> meebey: smuxi can't connect to IRC servers if the real name is empty

23:56:52 <nh2> http://tools.ietf.org/html/rfc2812#section-3.1.3 is not clear about that

23:58:05 <nh2> we get a irc 461 error from most networks in this case, so I think the real name should not be empty

23:58:36   <nh2>   meebey: something   like   this   works   for   me:
