| Subject: | Trim newline excess in twitter messages | | |
| Description: | <p>Newlines are supported by Twitter in messages. Some rss2twitter feeds though are using too many newlines which will give a cluttered experience. Here is an example:</p> <pre><pre> 07:56:40 <planetdebian> Matthew Palmer: Anticlimax: This sounds exciting: We think developers who want to work on the best, most dynam... http://bit.ly/bKU0tH </pre></pre> <p>Smuxi should probably remove empty lines between newlines.</p> | | |
