

Smuxi - Feature # 464: Twitter pin command should be more forgiving

Status:	Closed	Priority:	Normal
Author:	Mirco Bauer	Category:	Engine Twitter
Created:	09/02/2010	Assigned to:	Clément Bourgeois
Updated:	01/03/2012	Due date:	
Complexity:	Low		
Subject:	Twitter pin command should be more forgiving		
Description:	Tbe /pin command for the Twitter authorization process should trim leading and trailing whitespace to be more forgiving if the users copies or enters extra whitespace characters by accident.
