Subject:	Right-click menu of nicklist and tabs might float outside the screen		
Description:	When having the nicklist or the tab window at the right side of the window, right-clicking too close to the edge of the screen causes the context menu to float outside it.

Fixed popup menus floating outside of screen. (closes: #559)

The menu items have to be populated (shown) before the menu size will be calculated and then positioned by `Gtk.Menu.Popup()`.
