Smuxi Issues [FROZEN ARCHIVE] - Feature # 565: Reorder server list

Status:	New	**Priority:**	Normal
Author:	Carlo Kok	**Category:**	Frontend GNOME
Created:	02/18/2011	**Assigned to:**	Mirco Bauer
Updated:	02/20/2011	**Due date:**	
Complexity:	Medium		
Subject:	Reorder server list		
Description:	What would be great is an option to reorder the server list in: http://rorox.remobjects.com/Carlo/2011-02-18_1711.png		

History

02/18/2011 04:24 PM - Carlo Kok

this list defines in which order the initial connect (ie each reboot) happens in.

02/20/2011 06:12 AM - Mirco Bauer

- File 2011-02-18_1711.png added

- Category changed from Frontend to Frontend GNOME

- Complexity set to Medium

The servers in the config of Smuxi are currently not numbered, they simply rely on insert-order. This is related to #553 as there is no ID but the hostname used as key. So the server list should allow to change the order of the servers.
