Subject:	Smuxi disconnects on nick change to "[]"		
Description:	<p>There appears to be a regular expression construction issue when an IRC nick contains some combinations regexp metacharacters. To replicate, change your nick to @[]@. The following will appear in the server log:</p> <pre><pre> -!- Connection error! Reason: parsing "(^\\W)[](\\W)" - Unterminated [] set. Parameter name: (^\\W)[](\\W) </pre></pre> <p>There may be other metacharacter combinations that have the same effect.</p>		

History

06/01/2011 08:26 PM - Mirco Bauer

- Status changed from New to Closed

This is the same issue as seen in #538 which was already fixed

06/01/2011 08:26 PM - Mirco Bauer

- Target version changed from 0.8 to 0.8.9

12/21/2011 11:38 AM - Mirco Bauer

This change can be tested with a development build which can be obtained from here: <http://www.smuxi.org/documentation/running-from-git/>
