## Smuxi Issues [FROZEN ARCHIVE] - Bug # 620: Escaping characters

Status:	New	Priority:	Normal
Author:	Bheesham Persaud	Category:	Engine
Created:	08/17/2011	Assigned to:	Mirco Bauer
Updated:	09/24/2011	Due date:	
Complexity:	Low	•	
Subject:	Escaping characters		
Description:	I'm not allowed to use the character " when adding content to the On Connect commands.		
	Example: _/msg BOTNAME LOGIN "username" "password"/join #special_  Result: _/msg BOTNAME LOGIN_		
	Be sure to restart the program.		

## History

- Category changed from Common to Engine
- Target version deleted (0.8)
- Complexity set to Low

This seems to be a limitation of the INI file parser used, it uses " to mark the beginning and end of the value. Unfortunately it doesn't seem to have any escape character for it, see:

http://nini.svn.sourceforge.net/viewvc/nini/trunk/Nini/Source/Ini/IniReader.cs?revision=242&view=markup#l424

 $Smuxi \ could \ replace \ the \ " \ character \ with \ something \ else \ and \ replace \ it \ back \ when \ reading \ the \ config...$
