Subject:	Count and show still pending chats which need to be synchronized		
Description:	With the new way of synchronizing chats, it would be a good information, when all chats are synchronized or how many chats still need to be loaded. 21:17:03 <heavy> meebey: feature request: please implement a counter how many tabs still need to be synced in the status bar :) 21:17:37 <meebey> interesting idea 21:17:43 <meebey> it could even use the progress bar!
