| Subject: | URLs are not logged for IRC sessions | | |
| Description: | <p>Hi.</p> <p>I've just noticed that URLs are not logged for IRC sessions correctly (they are skipped entirely). They also don't appear in gnome notifications.</p> <p>I think the problem is that whatever is being returned by <code>Smuxi.Engine.UrlProtocol.ToString()</code> is either null or an empty string. I went to poke around in the code and I get a compilation error which is stopping me from debugging this myself.</p> <p>Thanks, Mikal</p> | | |
