

## Smuxi - Bug # 673: Smuxi log contains "Database.Ext().GetByID(XXX) with index 0 returned null!" errors

<b>Status:</b>	New	<b>Priority:</b>	Normal
<b>Author:</b>	Martin Reiche	<b>Category:</b>	Engine
<b>Created:</b>	01/09/2012	<b>Assigned to:</b>	
<b>Updated:</b>	05/27/2012	<b>Due date:</b>	
<b>Complexity:</b>	High		
<b>Found in Version:</b>	0.8.9.1+git-0~74~lucid1		
<b>Subject:</b>	Smuxi log contains "Database.Ext().GetByID(XXX) with index 0 returned null!" errors		
<b>Description:</b>	When starting smuxi-server I get the error mentioned in title. Else smuxi-server runs without problems. As far as I can tell :)
