Smuxi Issues [FROZEN ARCHIVE] - Feature # 686: Show/Hide Events mode

Status:	New	**Priority:**	Normal
Author:	Mirco Bauer	**Category:**	Frontend GNOME
Created:	01/29/2012	**Assigned to:**	Mirco Bauer
Updated:	06/25/2012	**Due date:**	
Complexity:	Medium		
Subject:	Show/Hide Events mode		
Description:	Smuxi should allow to hide all events temporarily using a View -> Show Events check button in the menu. This would allow to ignore event noise and look at it when needed. By default it should show events though.
