Smuxi Issues [FROZEN ARCHIVE] - Bug # 722: no error-message provided for invalid regex

Status:	Closed	**Priority:**	Normal
Author:	Bianca Mix	**Category:**	Frontend GNOME
Created:	06/16/2012	**Assigned to:**	Mirco Bauer
Updated:	07/02/2012	**Due date:**	
Complexity:	Low		
Found in Version:			
Subject:	no error-message provided for invalid regex		
Description:	If a filter is setup with an invalid regex, Smuxi is showing a pop-up window but not showing an error message in that window.		

Smuxi should state "invalid regex" or "invalid filter" if the regex entered is causing trouble.

I tried to setup the following:
<pre>
IRC
Group/Public
#smuxi
Normal
/(<yIRCJrela> *** join #smuxi@oftc|<yIRCJrela> *** part oftc!#smuxi)/
</pre>
to filter out replicated joins/parts from #smuxi@oftc
