Subject:	Add ability to consolidate toolbars when hiding menubar			
Description:	Currently hiding the menubar in smuxi seems a bit pointless, it leaves you with a giant blank space. I think it would be great if when hiding the menubar you could bring the tab bar up to that level to save vertical space.

This can now be closed (i'm not sure if I can close a bug on this tracker, I don't see any way to), its fixed with the UI overhaul in smuxi 4.11.

06/23/2013 09:14 AM - Mirco Bauer

- Category set to Frontend GNOME

- Status changed from New to Closed

- Assigned to set to Mirco Bauer

- Target version set to 0.8.11

- % Done changed from 0 to 100

Thanks for the update!

Fixed in commit:a94d2a49c6eabc4f9c430fa783f3f3eb761539db
