| Subject:     | User nick colour options                                                                                      |                                                                                          |        |  |
| Description: | It would be nice if we were able to select whick colour our nick shows up as, the default blue is alright and |                                                                                          |        |  |
|              | works well but I am not a fa                                                                                  | works well but I am not a fan of blue and would like to be able to select my own colour. |        |  |
