| Updated:          | 08/18/2013  | Due date:    |                      |
| Complexity:       |   |              |                      |
| Found in Version: | Vendor: Debian 1:0.8.12+git-0~287~precise1  |              |                      |
| Subject:          | Smuxi Jabber contact list not reflecting all contacts   |              |                      |
| Description:      | In the screenshot is a comparison of Smuxi user list and Pidgin user list for one and the same Jabber account. Smuxi should reflect the same amount of people. In the chat area also more contacts are reflected.<br><br>Backend-update: Aug 18<br>Frontend-update Aug 16 or 17 (version as in details) |              |                      |
