

Smuxi - Feature # 992: Automatically detect input language for spell checking

Status:	New	Priority:	Normal
Author:	Mirco Bauer	Category:	Frontend GNOME
Created:	09/18/2014	Assigned to:	Mirco Bauer
Updated:	04/29/2015	Due date:	
Complexity:	Medium		
Subject:	Automatically detect input language for spell checking		
Description:	The spell check library used in Smuxi (libgtkspell) needs to know which language it should spell check for. Smuxi could use a language detection library and automatically switch the detected language in the spell check library when needed.
