Smuxi Issues [FROZEN ARCHIVE] - Bug # 99: reconnect after kill break query chats

Status:	Closed	**Priority:**	High
Author:	Mirco Bauer	**Category:**	Engine IRC
Created:	08/07/2008	**Assigned to:**	Mirco Bauer
Updated:	08/25/2008	**Due date:**	
Subject:	reconnect after kill break query chats		
Description:	When the IRC client was killed by an IRC op then the existing query chats are not enabled again. Also all exisiting channels are closed (thus all buffers are gone).		

History

It didn't close group chats for me. But the person chats were broken after reconnect, at least I could not see new messages but it was sending them. The IRC engine re-enabled the chat without syncing it, so the frontends that have the chat already don't get new messages.
