Updated:	07/15/2016	**Due date:**	
Complexity:	Medium		
Subject:	Support for Matrix in Smuxi		
Description:	It would be great to have support for Matrix (matrix.org) in Smuxi. Matrix is an open standard for decentralised communication, and is managed by Matrix.org: a nonprofit open source project acting as the neutral custodian for the standard. There's already quite a few clients and integrations, see http://matrix.org/docs/projects/try-matrix-now.html - and it would be great to be able to also talk to matrix-users via Smuxi.
