<b>Subject:</b>	reconnect triggers highlights		
<b>Description:</b>	When the connection to an IRC server is lost and it reconnects, it will re-highlight on all open chats (because it re-sync them?)

- Status changed from New to Closed
- Target version set to 0.7.1

I can't reproduce this issue. It was probably fixed with #301 as old highlights will get ignored regardless of re-syncing a chat.
