Smuxi Issues [FROZEN ARCHIVE] - Feature # 171: colorize people who are away X-Chat-style

Status:	New	Priority:	Normal
Author:	seb sch	Category:	Engine IRC
Created:	04/13/2009	Assigned to:	Mirco Bauer
Updated:	08/24/2012	Due date:	
Complexity:	High		
Subject:	colorize people who are away X-Chat-style		
Description:	Make people that are away another color in the nicklist to see instantly who is online.		
	A very nice feature of XChat.

That's a good idea. The Engine-IRC backend would need to regularly (like every 60 seconds) query the users in a channels and queries for their away state and update the user state (so the frontends knows about the change). Then the frontend could use a different color for the users who are away.
