

Smuxi Issues [FROZEN ARCHIVE] - Feature # 192: Allow adding options to the ssh command.

Status:	Closed	Priority:	Normal
Author:	Alain Peyrat	Category:	Frontend
Created:	08/26/2009	Assigned to:	Mirco Bauer
Updated:	10/11/2009	Due date:	
Subject:	Allow adding options to the ssh command.		
Description:	<p>My need is to add a proxy when using ssh. For that, I have to create a session so I would need to be able to pass extra parameters to ssh.</p> <p>The current workaround is to create a ssh script to embed the parameters but it would be easier to add a new option like "SshProgramParameters" in the .ini file.</p>

Added SshParameters setting for specifying parameters directly passed to the SSH program. (closes: #192)

Agreed, will add such feature for the next release.

08/27/2009 10:19 AM - Mirco Bauer

This is related to #145 as that one passes unsupported parameters.

08/27/2009 12:20 PM - Mirco Bauer

- Target version set to 0.6.4.1
