| Updated: | 01/03/2010 | Due date: | |
| Subject: | Use colors with good contrast for tab label | | |
| Description: | Colored nicknames are checked for good contrast and changed for optimum contrast. The tab label should do the same as the local theme of the frontend might be different from one computer to another, so the same exakt color value might produce badly readable tab labels. | | |

History

11/17/2009 09:35 PM - Mirco Bauer

- File tab-color-issue.png added

A good example of this issue can be seen on this screenshot

11/29/2009 05:01 PM - Mirco Bauer

- Target version changed from 0.8 to 0.7

01/03/2010 09:46 PM - Mirco Bauer

- Status changed from New to Closed

- % Done changed from 0 to 100

Implemented in commit commit:a00447c8830c1e2b64918017c621c342845312b3
