<b>Complexity:</b>			
<b>Subject:</b>		Twitter integration	
<b>Description:</b>		Smuxi could support the Twitter protocol as it mainly sending and receiving messages. Having one tab for the public messages for reading and writing and then allowing to make private tabs for each twitter user for private messages.	

### Associated revisions

Initial implementation of twitter support. (references #228)

**11/04/2009 01:16 AM - Mirco Bauer**

Merge branch 'feature/#228\_twitter\_integration' (closes: #228)

### History

**11/01/2009 06:03 PM - Mirco Bauer**

Also support a @yournick tab that shows all tweets that contains your name.

**11/02/2009 01:26 AM - Mirco Bauer**

- *Target version set to 0.8*

- *% Done changed from 0 to 60*

Reading and posting public tweets (via the friends timeline) is implemented. Support for private tweets is missing. The initial population of all friends should be done in a background thread (instead of blocking the GUI).
