Meebey, I want this too :)

I have full IPv6 connectivity -- irssi can, smuxi not. But we know that smuxi rocks, right? ;)

David

(priority "normal" as IPv6 should really be supported in 2008/2009 ;))

- *Target version changed from 0.8 to TBD*

09/13/2010 05:43 PM - Carlos Martín Nieto

- *File smuxi.ipv6.log.bz2 added*

This is a log of smuxi 0.8 with local engine and IPv6 activated in the mono config, though I suspect this has more to do with SmartIrc4net.
