

## Smuxi - Feature # 277: /exec -o command sending the output as message

<b>Status:</b>	Closed	<b>Priority:</b>	Normal
<b>Author:</b>	Mirco Bauer	<b>Category:</b>	Frontend
<b>Created:</b>	01/05/2010	<b>Assigned to:</b>	Mirco Bauer
<b>Updated:</b>	02/02/2013	<b>Due date:</b>	
<b>Complexity:</b>	Low		
<b>Subject:</b>	/exec -o command sending the output as message		
<b>Description:</b>	"/exec -o echo bar" should send the output of the exec to the protocol manager as message (e.g. IrcProtocolManager.CommandSay()). IIRC there is no protocol neutral API yet to send a message, say something like IProtocolManager.SendMessage().
