Subject:	Extend user context-menu in channels with "invite to"		
Description:	The context-menu of users in channels could show a "invite to" sub-menu which lists all channels where Smuxi is joined to. This makes it very convient to invite users from other channels.

Implemented "Invite To" menu (closes: #350)

The person menu of the GroupChatView and the CTCP menu had to be refactored so

the menu could hold dynamic items which is needed for the invite menu.
