

Smuxi - Bug # 36: default username not honored for servers without username set

Status:	Closed	Priority:	High
Author:	Mirco Bauer	Category:	Engine IRC
Created:	06/16/2008	Assigned to:	Mirco Bauer
Updated:	07/15/2008	Due date:	
Subject:	default username not honored for servers without username set		
Description:	When connecting to a server without a specific username then the default username from the settings is not used. This prevents connecting to servers when the local username contains a dot (like mirco.bauer).
