- Priority changed from High to Urgent
- Target version set to 0.7.2
- Complexity set to Medium

The Twitterizer project is no longer supporting the 1.0 version, see:

http://groups.google.com/group/twitterizer/browse_thread/thread/3e32ab42e9f0c7c0

Smuxi will need to provide workaround/fix for this then as Twitterizer 2.0 is only an option for Smuxi 0.8 as it requires lot's of changes.

This issue seems to be gone, I guess twitter changed something back...
