

Smuxi - Feature # 393: Extended help for commands

Status:	New	Priority:	Normal
Author:	Mirco Bauer	Category:	Engine
Created:	06/19/2010	Assigned to:	Mirco Bauer
Updated:	06/19/2010	Due date:	
Complexity:	Medium		
Subject:	Extended help for commands		
Description:	Each command should be able to provide and output a help text for further explanation besides the short syntax reference of the /help command. "/help command" would be good as command. The command API needs to be refactored for this feature can be implemented.
