

## Smuxi Issues [FROZEN ARCHIVE] - Feature # 478: Make IRC nickname more visible

<b>Status:</b>	New	<b>Priority:</b>	Normal
<b>Author:</b>	Mirco Bauer	<b>Category:</b>	Frontend GNOME
<b>Created:</b>	09/07/2010	<b>Assigned to:</b>	Mirco Bauer
<b>Updated:</b>	11/26/2013	<b>Due date:</b>	
<b>Complexity:</b>	Medium		
<b>Subject:</b>	Make IRC nickname more visible		
<b>Description:</b>	<p>Right now the currently used IRC nickname is not very visible. The nick can only be seen on the servertab watching the usermode change "-!- Mode change [+i] for user meebey", when joining a channel "-!- meebey [meebey@123.123.123.123] has joined #smuxi" or when saying a message. Instead Smuxi should always show the currently used nick on the label of the IRC server tab, just like the Twitter support does.</p> <p>At the same time a new and better format should be used for IRC and Twitter for consistency:</p> <pre>OFTC/meebey GIMPnet/meebey Twitter/meebey</pre> <p>This could be even further enhanced in the future by using protocol specific icons, then the "Twitter" part could be removed for example.</p>		

### History

**03/13/2011 10:12 PM - Mirco Bauer**

One issue is that the nickname can be changed on IRC while the tab name currently can't be changed.

**11/20/2011 07:14 PM - Ingo Saitz**

Another idea might be to display the current nick in the status bar at the bottem next to the joined network or in the window title.
