

Smuxi - Bug # 50: first private chat message is not highlighted

Status:	Closed	Priority:	High
Author:	Mirco Bauer	Category:	Engine IRC
Created:	07/14/2008	Assigned to:	Mirco Bauer
Updated:	08/25/2008	Due date:	
Subject:	first private chat message is not highlighted		
Description:	When someone sends me a private message and there was no tab for it open yet, the message will show up as no activity nor highlight.

Post-poned this bug to 0.7.0, this issue looks simpler than it is.

The highlight gets lost for person chats because the highlight is cleared in `[[GnomeUI]].SyncChat()` after it was synced so re-attaching the frontend will not trigger all highlights again. The highlight needs to be reset after all chat views are synced after the initial sync. We have no hook for this currently...

- Status changed from New to Closed

- 1 set to fixed

Workaround disabled in SVN r383 thus this is fixed for now.
