

Smuxi - Feature # 526: Always how fullscreen toggle menu item in context menu

Status:	Closed	Priority:	Normal
Author:	Michael Monreal	Category:	Frontend GNOME
Created:	10/16/2010	Assigned to:	Mirco Bauer
Updated:	12/21/2011	Due date:	
Complexity:	Low		
Subject:	Always how fullscreen toggle menu item in context menu		
Description:	Right now, the fullscreen item only appears in the context menu if the menu is hidden. It should also be show if the menu is visible for those how want to turn the menu off quickly. Showing the check item only to unhide is a bit confusing.
