

Smuxi - Bug # 542: setting of away/unaway messages

Status:	Closed	Priority:	Normal
Author:	Bianca Mix	Category:	Engine IRC
Created:	11/06/2010	Assigned to:	Mirco Bauer
Updated:	12/07/2011	Due date:	
Complexity:	Low		
Found in Version:			
Subject:	setting of away/unaway messages		
Description:	<p>Smuxi is always setting an unaway message even if the server didn't yet set the away. This happens when a connection is lagging. Either the server does only set the away if the connection is closed in a proper way or Smuxi is not querying whether an away has been set before (or both).</p> <p>Below is he history of server tab. Showing one properly closed connection and various reconnects with the unaway messages.</p> <p>-!- Day changed to Friday, November 05, 2010 18:31:39 -!- You are no longer marked as being away-!- Day changed to Friday, November 05, 2010 18:31:39 -!- You are no longer marked as being away 23:55:51 -!- You have been marked as being away -!- Day changed to Saturday, November 06, 2010 10:20:03 -!- You are no longer marked as being away 11:34:24 -!- You are no longer marked as being away 11:50:18 -!- You are no longer marked as being away 16:01:10 -!- You are no longer marked as being away 16:05:28 -!- You are no longer marked as being away 17:43:30 -!- You are no longer marked as being away 17:59:48 -!- You are no longer marked as being away 18:44:55 -!- You are no longer marked as being away 19:39:07 -!- You are no longer marked as being away 20:08:46 -!- You are no longer marked as being away 20:46:27 -!- You are no longer marked as being away</p>
